

## TABITHA TAKES CHAMPIONSHIP FOR THE GIRLS!

Each year the RGS Junior School holds a school Championship with up to 80 or 90 children taking part. Obviously this Championship was won by a boy when the school was only a boys' school. However some 4 years ago the school went co-educational and for the first time girls could challenge for the Championship. However many more boys than girls took part and boys still continued to win the Championship until this year....

This year for the very first time a girl won the Championship! Tabitha Burnett won the Championship, beating Parth Mannikar in the final play-off game. Ha'way, wor Tabby!
