

### NORTHUMBERLAND AT THE GIGAFINAL 2011

Only about half the Northumberland Qualifiers took part in this year's Northern Gigafinal. This was partly due to Derby being so far away and partly due to it being played ten days into the school holidays which meant that many children were away on holiday. Those who did play did us proud, especially the three boys who as 'Ultimi' qualify for the 'Terafinal' and the 2 who just missed out and qualified for the 'Challengers'. Altogether 430 children from all over the country, so we can be proud of the way our children performed.

Here are all the Northumberland scores (All scores out of 6)
